GET COACHED BY THE BEST!

# CHAMPIONS' EDGE COACHING

LIVE!

How much would you pay to be coached  
by one of the *BEST Speakers in the World?*

**GOOD NEWS! On November 9th...**

**it's YOURS!**

**Darren LaCroix**  
2001 World Champion  
of Public Speaking

In 2001, **Darren LaCroix** outspoke 25,000 contestants from 14 countries to win the title of **World Champion of Public Speaking**. Since that victory, he has traveled the world de-mystifying the process of creating a powerful speech. He inspires his listeners through his inspirational journey from first-rate *chump* to first-class *champ* — proving that anything is possible if you're willing to work for it.

After Darren's informative opening presentation, volunteers from the audience will be given a rare opportunity to deliver a short presentation, and then **receive instant feedback**. If you're one of the volunteer speakers, you'll experience the kind of coaching given to finalists in the World Championships of Public Speaking. And **even if you aren't a volunteer speaker**, you'll learn just as much by watching the process. **Whether you're sitting in the audience or standing on the stage... as long as you're there, you'll learn!**

*And catch  
Darren in action  
again...*

## **"GOT HUMOR?"**

*Comedy Secrets for Professional Presentations*

Do you give presentations? Ever wish you were funnier? In high school Darren was considered "least likely to ever be funny." So how did he get to be a world champion? By dispelling the myth that people are born funny. Darren is living proof that humor can be a learned skill.

Once Darren lets you in on the "secrets" of the comedy world you will be a believer. You'll discover that you, too, can make people laugh. Darren will lead your group through the unfolding of how humor works, and offer tips for shortening your learning curve dramatically. Learn how creating your own humor will "lighten up" your presentations. You are **"Darrenteed"** to walk away enlightened and entertained.
